

### **2013 WCED Systemic Test Results**

We are pleased to share the results of these tests, which are developed according to the Curriculum framework, and show the pass percentage (50%) results of BPS:

Grade 3 Mathematics	100% pass rate
Grade 3 Language	90,2% pass rate
Grade 6 Mathematics	95,2% pass rate
Grade 6 Language	96,4% pass rate

**We congratulate our teachers, parents and pupils on these excellent results.** Thank you to our teachers who work zealously to ensure quality education, and to all our parents who support the teachers, and the children, by ensuring that learners arrive timeously each school day, well-equipped with the necessary tools, homework preparation completed, to spend a fruitful, quality day at school.

At a **special function held by the WCED** on Tuesday evening, 18 February 2014, our efforts were **rewarded with a certificate and R20 000,00** to purchase educational resources for our school.

Of particular interest is the fact that of the 21 schools in our Circuit (Circuit Two) Bergvliet Primary School was the **only** school to achieve 100% pass rate in Mathematics (Grade Three) and 100% pass rate in Literacy (Grade Six). **Well done BPS – what a team!**
