BPS NEWSFLASH - 19 of 2021 27 Oct 2021 – School Development Survey

Dear Parents and Guardians

We are already in the middle of the third week of Term 4. Days certainly pass quickly when one has fun. Our learners are moving full steam ahead with learning, preparing for the formal assessments around the corner. Our extra-mural programme has been successful. How wonderful to witness the buzz and excitement generated by our learners, who are so eager to participate! We have also reintroduced “live” assemblies in a staggered manner, two grades at a time. This ensures compliance with the Covid-19 safety protocols, as we need to remain mindful of the pandemic. Having said that, at BPS we remain committed to cultivating an environment that promotes our school vision.

This term, our school values will be continually practised in our daily interaction – this will have a positive impact on our beloved school, as well as our broader community.

Whole School Development and Improvement Plan 2022 - 2025

The newly elected SGB will focus on our school’s ongoing improvement. To plan adequately, we require input from all our stakeholders, i.e., parents, learners, and staff. Please complete the School Development and Improvement Plan Survey by clicking on the link <https://forms.gle/iTPootCuwX1zYDZC8>.

Please rate the current Improvement Plan and propose any other items which you feel the school should prioritise over the next 3 years. You will also be asked to rate the school in the 9 “Whole School Evaluation” areas. This will help us to evaluate our effectiveness in terms of the National goals: **(1)** Basic school functionality; **(2)** Leadership, management, and communication; **(3)** Governance and relationships; **(4)** Quality of teaching and learning and educator development; **(5)** Curriculum provision and resources; **(6)** Learner achievement; **(7)** School safety, security, and discipline; **(8)** School infrastructure and **(9)** Parents and community.

We thank you in advance for completing the survey. Your contribution will ensure that BPS maintains its reputation for excellence.

Please take care, stay safe and remember to apply the Five Golden Rules daily.

Sincere regards

MR BLP PAULSE
