Dear Parents and Guardians

Bergvliet Primary School has been busy with a variety of activities in the first three weeks of the term. Thank you to all of the parents and guardians who managed to meet with their children's teachers during the Parent-Teacher meetings held during the first week of term. These meetings are essential in order to monitor your child's academic progress. The partnership between the teachers and the parents/guardians is essential to ensure that our learners reach their full potential.

COVID 19:

We remind our families that the latest Covid-19 protocols require the wearing of face masks in buildings. Stay healthy and stay safe.

RECYCLING:

Please inform your child's class teacher, by means of an entry into the homework diary, of recycling dropped at the recycling depot, so that the applicable house points can be allocated.

Our Grade Seven mathematicians have reached the final round of the Spine Road High School Mathematics Competition that takes place tomorrow, Saturday 23 April. We wish the Grade Seven learners and Mrs. Esau well in their defence of a trophy which they have won the last two years.
