SPINE ROAD HIGH SCHOOL GRADE SEVEN MATHEMATICS OLYMPIAD:

I was extremely proud when I attended the prize-giving ceremony of the Spine Road High School Grade Seven Mathematics Olympiad, last Saturday. This year there were over 800 learners from 47 Primary Schools that participated in the competition. Congratulations to Mubeen Brey, who shared the honours of being the top learner and Ethan Stemmers who achieved the third position.

Bergvliet Primary School entered two teams of ten learners and our B Team won the competition. This is the third successive year that Bergvliet Primary School has won the competition. Congratulations to Mrs. Esau on her third successive victory and thank you for the time and effort that she put into preparing our learners.
