## NEWSFLASH 13 of 2022

24 JUNE 2022

Dear Parents and Guardians

The past twelve weeks have gone so quickly; it is hard to believe that we are already at the end of the term.

### COVID-19

On Wednesday evening, the National Minister of Health, Dr Phaahla, repealed Regulation 16A of the Regulations Relating to the Surveillance and the Control of Notifiable Medical Conditions: Amendment, 2022, in Government Gazette No. 46590 of 22 June 2022. It is therefore no longer mandatory to wear face masks in indoor public places. This also applies to public schools. Learners, educators and school-based public servants are therefore not required to wear face masks at schools. However, should a learner, educator or staff member wish to continue to wear a face mask for health reasons, they may continue to do so.

### AFTER SCHOOL CARE (ASC)

The BPS ASC will be open during the school holidays from 07h30 to 18h00 on a daily basis.

### STAFF FAREWELLS:

The end of a school term sometimes requires that we bid farewell to a member of the BPS staff. This term we bid farewell to Mrs. Stephanie Wentzel. We thank her for all that she has done for BPS and our learners during her time at the school. We wish her good health, happiness and success as she embarks on the next step of her journey in education.

### STEAM DAY

Judging by the excitement and enthusiasm throughout the school on Wednesday, our first STEAM Day was a great success. It was wonderful to see the learners actively engaged in the problem-solving and collaboration that was required for this experiential learning experience. Thank you to all of our families for their support so that our learners could successfully integrate the concepts of Science, Technology, Engineering, Art and Mathematics in their problem-solving.

### FUN GAMES DAY

Thank you to all of the parents and guardians who assisted with making the Fun Games Day a success. It is wonderful to be able to host events at school once again, where the greater school community can be involved.

### REPORTS

Grade R reports were emailed and hard copies of reports were handed to the Grade 1-7 children who were at school today. Reports do not have to be returned to school.

### THANK YOU

Thank you to all our families who have contributed to our collection for Mandela Day.
