Dear Parents and Guardians,

23 July 2026

We trust this message finds you well.

Term 3 Assessment Schedule

As we move into Term 3, we would like to inform you about the upcoming assessment plan for our learners. This term, assessments will consist of a series of **written tests and ongoing class projects**, carefully spaced throughout the term to support consistent learning and progress tracking.

The written tests will assess learners on content covered in class, while the class projects will provide opportunities to apply their knowledge creatively and practically.

We kindly request that learners attend school and especially be present on the days assessments take place, as every component contributes to their overall performance.

We encourage you to support your child by helping them revise regularly and stay up to date with the topics taught in class.

Should you have any questions or concerns regarding the assessment schedule or your child's progress, please feel free to contact us.

Thank you for your ongoing support and cooperation.

Yours sincerely,
Grade Four Educators
