9 14/09/26											
10 21/09/26											

PLEASE NOTE: This term, learners will participate in a Creative Writing Project (English and Afrikaans). The project consists of three parts: research, an oral presentation and a writing task. Learners will complete the project in class. They may be required to do research at home and bring their resources, poster board and other material to school. Parents are encouraged to please ensure that ALL project material is not left at home as this will hinder your child's progress in class.
